- I. Item 1 There were 5 attendees at this meeting. Discussions revolved around the current status of the system and future plans for regionalization.

Updates were given regarding sampling at all 5 sources as well as the distribution system.

There were no main leaks in the system in the last quarter. A bypass of an old pipe from the Church to the creek bridge was implemented.

Discussion regarding an updated boil water notice informed attendees that a new, consolidated notice will be sent out which will also contain lead education.

Russian River Utility is providing bottled water to the Montgomery School on an as-needed basis.

- II. Next public meeting – July 2025. Date to be determined.
- III. Adjournment.
